

Jackie Daniels is a fun, family oriented, Godly woman (that never ages). Jackie comes from a family of nine children. She has three brothers and five sisters. Jackie has one son and grew up in the Opp area. She is also a faithful member of Nazareth Baptist Church in Opp. Jackie's first dream was to become a secretary, but little did she know, God had bigger plans for her. As she watched her mother become so involved in Head Start, she knew that is where her heart laid. Following in her mother's footsteps and with her father's determination, Jackie worked her way through the Head Start program in the positions of Head Start Parent, Teacher's Assistant, Teacher, Center Director, and now our serves as the Head Start / Early Head Start Assistant Director and Pre-K Program Director. The love and dedication for her job has been undeniable. Currently, Jackie holds a bachelor's degree in education, which was completed in 2002 with assistance from the Head Start Program. Something that is unique about Jackie is her love for others and her willingness to help in any way she can. In her free time, you can catch her doing puzzles on her computer while probably eating strawberries and oatmeal cookies. The quotes that she lives by are, "If God can bring you to it, he will bring you through it" and "Start where you are, use what you have and do what you can" -
